Sunday News from the Harvard Unitarian Universalist Church
February 5th, 2017

SHARING OUR PLATE February:

Partner Church Please make checks out to "HUUC" with "Partner Church Council" in the memo line. In far off Andrásfalva, Romania, Harvard has had a partner church relationship for the last 23 years. Our partner church building in Andrásfalva, built with our financial assistance, was started in 95 and dedicated in 99. The building is shared with the Calvinists of the town. Unitarian services are held there one week out of four. The people of the Transylvanian plateau are mainly farmers, cowherds, and shepherds with an occasional teacher, charcoal maker, museum director, and minister included. Our donations will continue to help them make needed repairs and maintenance to keep their house of worship a welcoming place.

Sunday February 5th, 9:55 a.m.

A Song Heard Round the World

Matt Meyer

When daily life can leave us feeling isolated or struggling to find connection, the music we love can be an antidote. Our music tells the story of how we are bound up together, the story of our connectedness. Join us for a service of song and silence, of deeper connection and musical communion.

Greeter: Marie Sobalvarro

Ushers: Daniel Kozarsy, Pat White

Hospitality: Marcia Croyle
